**LIQUID GOLD: OUR
RANGE OF LIQUID
SUPPLEMENTS**

An overhead photograph of four business professionals (three men and one woman) standing in a circle on a white tiled floor, holding hands. They are dressed in professional attire. The scene is brightly lit, casting shadows on the floor.

INTRODUCTION TO OUR COMPANY

Our company specializes in liquid products such as vitamins, CDZ, and Carnitine.

We offer customizable white-label branding options for your business needs.

WHAT SETS US APART

Our liquid products offer faster absorption and better bioavailability.

All our products are third-party tested for quality and purity.

BENEFITS OF LIQUID SUPPLEMENTS

Liquid supplements are fast-absorbing, easy to swallow, and convenient. They offer a great way to boost energy, support immunity, and stay healthy.

OUR RANGE OF PRODUCTS

Our liquid supplements include vitamins, minerals, herbal blend and oils. But also, energy drinks, functional drinks and amino acid drinks.

Our CDZ liquid helps enhance cognitive function and focus.

Our Carnitine liquid supports fat burning and weight loss.

KEY INGREDIENTS

Vitamins and minerals are essential for good health and overall well-being.

Carnitine is a naturally occurring amino acid that helps the body convert fat into energy.

CDZ is a powerful antioxidant that protects cells from damage caused by free radicals.

OUR RDT PRODUCTS

Bottling Your Vision: Custom-Designed Ready-to-Drink Products

Our team is committed to bringing your ideas to life through our ready-to-drink products.

From energy drinks to functional drinks, BCAA / EAA drinks, zero-calorie sodas, mineral waters, and more, we guarantee a sophisticated beverage selection that caters to your needs.

Our team of experts will guide you through the selection of the most suitable ingredients and their effects to ensure a premium product – taking flavor, texture, functionality, and safety into account. We package your product in aluminum cans of various sizes to meet your specific needs.

OUR SHOTS

Ready-to-Drink Shots: A Convenient and Popular Option for Customers
Our Ready-to-Drink Shots are a hassle-free option that customers love.

Our selection includes energy boosters, vitamin and mineral shots, and beauty shots – such as collagen shots and anti-aging shots – all available in attractive sizes of 60ml or 100ml. Additionally, we offer relaxing shot formulations that can help your customers recover and reset after a long day of work. Our shots come in practical, store-friendly distribution boxes for easy use.

Our range includes:

- Energy Boosters
- Vitamins and Minerals
- Beauty Shots

Let us help you provide your customers with the convenience and nutrition they need.
